

Innovative Dance 2016-2017 Dress Code

All Innovative Dance students receive a 10% discount at Dance Togs. This dancewear store also has a list of the Innovative Dance dress code. Please see Dance Togs information at the bottom of the dress code on the web site. We understand that you like to give your child growing room. Please don't go up more than half a size bigger than needed. It is too difficult to dance in shoes that do not fit. We also know that some shoe brands don't work for every foot. These shoe style are the ones we prefer.
